RELIEVING PRINCIPAL'S REPORT

Principal's Network Awards

On September 9, I attended the Principal's Network Awards where a number of school staff and a parent were recipients of an award. Georgie Rysko, Paul Marshall and Sonja Dokmanovic were recipients of teaching awards, Susan Solah was the recipient of an administration award and Lynne Gardner was the recipient of a parent award. All recipients were successfully nominated by the school for their contribution to teaching and leading in their respective areas. Mrs Gardner is a valued member of our P&C and is our fundraising coordinator and very deserving of the parent award. Elderslie High School was also the recipient of the Executive Director's Award which I had the pleasure of accepting on behalf of Mrs Lawrence who was on long service leave.

Captains 2020

I would like to thank the 2019 Captaincy Team for their leadership over the last twelve months. They are a very talented bunch of students who are sure to achieve great things in their future endeavours. On September 11, I had the pleasure of announcing our new Captaincy team for 2020. Our new School Captains are Cassandra McMurdo and Lachlan Taylor and our Vice Captains are Taylor Sheridan, Ryan Mills, Brianna Craig, David Truong, Trent Martin and Hannah Bachner. During their time as school leaders they will have many opportunities to contribute to school decision making as well as implement their own ideas in order to address school and student needs.

Science Fair

The Science faculty held their inaugural Science Fair on September 11. Students from Year 7-12 exhibited their research on giant poster boards in the school hall. Primary school students were also invited to participate in the fair. Community members were invited to view the student work, which was followed by a presentation of prize winners and awards. Every student who participated received a certificate.

It was fantastic to see the large variety of ideas and high quality research developed by our students. The Science faculty also added a little 'pizzazz' to the fair by conducting some experiments with dry ice, concluding the event by making ice cream, which was a hit with audience members.

Shining Stars 2019

On September 19, I attended the Shining Stars showcase with Mrs Robinson, Miss Dennis and Mrs Murphie. Joel Panetta of Year 9 played a key role as compere and mentor for performances throughout the showcase. He performed and led 'We Will Rock You', a music ensemble and starred in his own item 'Chasing Cars' where he sang and played guitar very successfully. We were all extremely proud of his highly competent leadership and confident performances throughout the concert. He deserves huge congratulations from our school community.

Roof Replacement

Before the holidays the library roof was replaced. During the holidays the roof of A block was replaced. There will be no further work on the school roofs until the Christmas holiday break. There will be no disruption to the HSC examinations as a result of this maintenance project.

Ms Natalie Martin

FROM THE DEPUTY PRINCIPALS

Jennifer Villanueva (DP Years 7 & 10)

Studying techniques for upcoming exams

The junior school is currently embarking on their yearly examinations. I'd like to provide some quick tips and hints on how to maximise your preparation.

How should you study?

- If you have been given a Revision Sheet by your teacher, complete it and seek help from your teacher if needed.
- If your studying involves mathematical problems – sorry but there is no easy way around it. You will have to do many, many, many questions. Practise makes perfect!

- Create study notes, utilising the topic Outcome sheets and class notes, to reinforce the content covered in lessons. Use a separate study book to your class book and write each of the points followed by summary notes, drawings and definitions.
- Read over your summary, many, many times. Particularly before bedtime, when you are nice and relaxed.
- If you get time make a 'super summary' of your summary on note cards (like debating cards) and take these with you to read if you get time (waiting for your mum shopping, waiting for your brother to finish soccer practice etc, you'd be amazed how much time you can find to study).
- Try to write definitions without looking at your notes ("look, cover, write, check" – method).
- Ask your friends to quiz you. Make a game of it and quiz each other.
- Seek clarification from your teacher if necessary – spend a recess or lunch break 'picking their brain' and clearing up any misunderstandings you might have.

Year 10

Staff have been working diligently with Year 10 students to have any items of outstanding work submitted in order to satisfy their RoSA requirements. Students who have not submitted all tasks and worked with diligence and sustained effort, unfortunately may not meet requirements and gain their RoSA. I will be conducting interviews with ineligible students in the near future with Mrs Lawrence and these students.

In Week 7 of this term, Year 10 students will transition into their Year 11 classes where they will undergo skill based lessons in preparation for the commencement of Year 11 content in 2020. This period is provided to students so they can have an experience of senior schooling and familiarise themselves with their subject choices. As such, students will not be able to change their course selection until the beginning of 2020.

From Week 7 onwards, Year 10 students continuing on to Year 11 will be permitted to wear the senior uniform or they may continue to wear their full junior uniform until the end of the year if they wish. There will also be changes to school hours as students adopt a senior timetable and the amphitheatre is opened up for use during the breaks as a designated senior area. Full details of these changes will be provided to students in an upcoming year meeting. Students will continue with sport on a Wednesday afternoon for the remainder of the year to ensure the mandatory number of sport hours are achieved.

A reminder that with the upcoming end of year function, invitations are based upon students meeting an acceptable standard in various areas over the course of the year. A panel will review student eligibility and I will inform students well before the event if they are not going to receive an invitation.

Information Sessions

Over the course of this term the Senior Executive will be delivering a series of presentations to year groups during roll

call sessions. These presentations will be aimed at reinforcing key policies and practices to ensure that students are very clear about the expectations placed upon them and to provide opportunities for discussion and clarification as needed. The topics and weeks for these presentations are Week 2 Uniform, Week 4 Mobile Phone Use and Week 6 Merit Scheme.

I hope that you all have a great Term 4 and good luck with your examinations.

Mrs Villanueva

Joanne Amos (DP Years 9 & 11)

Year 12 2020

Year 11 have now moved into their Year 12 studies and are beginning to learn the HSC content. On Monday, 14 October an Information Evening was held at school to provide detailed information to students and their parents. On the night students received a package of documents which included their HSC Assessment Guidelines and notes relating to key events and expectations. The evening was well attended and the presentations by Mrs Shortt, Ms Caruana, Mr Atterton and myself included relevant policies and procedures that are pertinent to both school expectations and mandatory NESA requirements.

Changing Courses – many students have been asking when they can drop a subject and the process is as follows: Students will be given an Application to Revise Study form to complete and include a written explanation of the subject they wish to drop and why. During the term a panel of the school's executive will meet with each student to discuss this decision. Any changes will take effect from the beginning of the 2020 calendar year. The only students who can make immediate changes are the ones picking up an extension course for the HSC or are altering the level of a course in English or Mathematics.

Year 9

It is almost time for the Yearly Exams and a timetable will be released to students shortly. In the lead up to these assessments, students should be encouraged to write topic summaries, review the feedback from previous assessments and also ensure that they have all of their course notes up to date.

2019 Annual Presentation Evening

Our Annual Presentation Night will be on Tuesday 12 December, 2019. This is the one night of the year where we come together as a whole school community to celebrate the 2019 efforts and achievements of students, staff and the school. Please mark the date in your calendar and I look forward to seeing you there.

Kind Regards

Joanne Amos

Public Speaking Update 2019

Congratulations to Lachlan Taylor and Cassandra McMurdo from Year 11 and Zayne Lewis and Hannah Penfold from Year 10 on representing their fellow students at the **Graduation Evening** on Tuesday 24 September, 2019. Congratulations also to Lachlan and Cassandra on chairing the same event. Well done to all!

The **Elderslie High School Public Speaking Competition** will take place later this term. Interested students should stay tuned to notices for more information.

Ms Dennis

CAPA UPDATE

Congratulations to all the students who participated in making **Year 7 and 8 CAPA Evening** a fun and successful evening. Well done to all!

The next **CAPA Evening will be Year 10 on Wednesday 30 October, 2019** from 7.00 pm in the School Hall. Please come along and support the Year 10 Music, Drama, Dance and Visual Arts classes. Tickets will be on sale from the Student Office and are \$7.00 for all. Doors open at 6.45 pm. See you there!

The final **CAPA Evening will be Year 9 on Thursday 28 November, 2019** from 7.00 pm in the School Hall. Please come along and get into the Christmas spirit, as well as support the Year 9 Music, Drama, Dance and Visual Arts classes. They will be joined by the Vocal Ensemble, Orchestra, Dance Ensembles and solo performers. Tickets will be on sale from the Student Office and are \$7.00 for all. Doors open at 6.45 pm. See you there!

Thank you to all the parents who attended the **HSC CAPA Information Evening**. We hope you found the information presented informative and helpful in assisting your child to prepare for HSC 2020.

Congratulations to the **HSC Music students on surviving their Practical Examinations** on 10 September, 2019. Well done to all of the students involved.

Congratulations to the **HSC Visual Arts students** for submitting their Major Works. Well done to all of the students involved.

CAPA Calendars are available for purchase from the Student Office. The calendar would make a great Christmas present and is an excellent memory of this year's ensembles and events.

Elderslie High School's Dance Spectacular on Friday 13 September, 2019 in the School Hall was, once again, an amazing event. Many thanks to the students and teachers from Mawarra, Cobbitty, Spring Farm and Elderslie Public Schools for helping to make this event bigger and better this year. Congratulations to all our Dancers, Year 11 hosts, the Event Management Team and Entertainment class for making this year's event so successful.

Congratulations to all the students who participated in the **Dance Transition Program with Mawarra, Cobbitty and Elderslie Public Schools**. You performed well at **Dance Spectacular**. Many thanks to Ms Jansen from Elderslie Public School and Mrs Fairweather and Mrs Harloff from Mawarra Public School and Ms MacKellar from Cobbitty Public School for all their support with this program.

Congratulations to **Savannah Nenadic** from Year 8 who performed in the **State Dance Festival** on 13 September, 2019 at the Seymour Centre as a member of the NSW Public Schools Dance Ensembles. We look forward to Savannah and Kayla Jancovich's performances at **Schools Spectacular** in late November.

Congratulations to Joel Panetta from Year 10 on his amazing performance at **Shining Stars Showcase** on 19 and 20 September, 2019 at Campbelltown Arts Centre. Joel was the first ever Shining Stars Featured Artist and he was also a Music Captain for the program. Well done to Tyler Smith, Samantha Cazalet, Arabella Eagle and Veronica Williamson for their hard work as a part of the Shining Stars Stage Crew. Well done to all!

Congratulations to Grace Davies of Year 8 on the selection of her **Operation Art** piece titled "Danish Summer Day" for the Touring 50. This means that Grace's artwork was selected in the top 50 artworks from the program to be showcased in galleries around Australia. After the tour, her artwork will be displayed at the Children's Hospital, Westmead.

Best of luck to Hannah Penfold from Year 11 as she participates in the **State Drama Festival** on 25 and 26 October at the Seymour Centre as a member of the NSW Public Schools Drama Ensemble.

CAPA Faculty

SPORT REPORT

13's NSW Lions Hockey Team

Brayden Sutherland (Year 7) has just been announced in the U13's NSW Lions State Side, to compete at Nationals in Hobart this October. Congratulations Brayden.

Year 10 PASS Snow Camp 2019

On Tuesday August 20, Elderslie High School Year 10 PASS students went on a snow trip to Thredbo. We left at 4pm and relaxed on the coach before a stop in Goulburn and arriving at our accommodation at 10pm in time to collect our snow gear. The next day breakfast was served at 6am and the bus left for Thredbo at 7am. When we arrived, we had 2hr lessons at 8:30 for snowboarding or skiing. The first lesson for most students was painful, confusing, funny and awkward. After that we had until 4pm to fall down the slopes. Some students were pros while others were still trying to walk in the snow without face planting. Dinner was served when we got back to our accommodation and everyone was calling dibs on warm showers.

Day 2: Everyone had lessons again, this time we went to the top of the hill on the chair lifts and went from there learning to go right and left and constantly having to fall on one another to stop. Again, we all had time to practise our new skills and eventually most of us got the hang of things. Most students went exploring to the nearby Thredbo Village or Mt Kosciuszko. At our accommodation, two other schools joined us for the ultimate handball competition which was such a great time for interactions and new friends. On Friday we had our last snowboarding or skiing lesson which was where most videos and photos took place and everyone was smashing it. On our way home everyone was sore, tired, bruised, and positively overwhelmed by their time at the snow. Overall, it was the best weather we could possibly ask for, a great group of students and two great teachers that came along and I would DEFINITELY RECOMMEND it for our Year 10's next year! Thank you everyone who made the trip memorable. Teachers who attended: Mr Marshall and Ms Jeffries.

Kathleen van Niekerk

Open Girls Netball

Last term, our Open Girls Netball Team headed to Wollongong for the NSWCHS Netball Knockout Finals. For a gruelling 2 days, with 10 games and 1 injury, our 12 amazing and dedicated players stepped up to the challenge once again and made EHS proud of their efforts. 12 players, 1 team umpire, a fill in coach, an ex-student co-coach, plenty of mums, dads, grandparents, uncles and siblings, non-stop smiles and positive team attitude - this all adds up to a stunning bronze medal!! The girls only lost two games across the two days and both of these were to Sports High Schools with Netball programs. Our girls finished in 1st place of the comprehensive high schools of NSW. We are extremely proud of the effort and determination these girls demonstrated across the two days, and I know how much they appreciated all the support they received during the competition. Congratulations again to our Open Girls Netball Team!

Ms George

Open Girls Touch Football

In mid Term 3, our Open Girls Touch Football Team travelled to Bateau Bay for the NSWCHS Touch Football Knockout Finals. Pictured below are 12 exhausted girls at the completion of the two days of very fast paced games. The girls played their hearts out in every game. They had a couple of unfortunate losses due to sleepy moments, a dominant performance against last year's winners resulting in an exciting draw and a win to end their tournament...our girls came home as the 7th best Open Girls Touch Football team in NSW! Well done girls. Amazing effort, and you should all be extremely proud of yourselves!

Ms George

NSW All Schools Tri Series Netball

Earlier in the year, Kiara Bloor of Year 10 was selected for the NSWCHS Open Netball Team. This team participated in the NSW All Schools Tri Series at Sydney Olympic Park in September. The Tri Series consists of a NSW team from CHS – Combined High Schools, CIS – Combined Independent Schools and CCC – Combined Catholic Colleges. Despite her young age and being one of the babies of the team, Kiara played WA for 6 of the 8 quarters of Netball. The NSWCHS Team and Kiara drew with CIS, won against CCC, and were crowned as the overall winners of the Tri Series.

We can't wait to see what's next for Kiara on the Netball scene! Congratulations Kiara!

Tennis News

Reece Napier of Year 9 will be competing in the NSW Junior Tennis Championships at the end of October. At the moment he is ranked 2355 in Australia, improving by over 4000 in ranking over the past year.

Good luck Reece!

Open Girls Cricket – Round 3

Our girls were up against East Hills Girls and they continued their dominant performances from their last 2 games, scoring 121 runs from their 20 overs then bowling out the opposition for just 24! Captain Chelsea Polsen top scored with a quick fire 40 and was well supported by Kara Small, Kiara Bloor and Erin Bloor. In the field the Bloor girls once again dominated with the ball and young gun Mikayla Crick was superb as well. Shae Elguindy showed her all round abilities by scoring some runs, getting a direct hit run out, taking a catch and claiming the final wicket of the game. Next up we have the semi final against local rivals Elizabeth Macarthur HS who should prove to be a stern test as we endeavor to win this game and earn the right to enter the final against Westfield Sports HS.

Senior Student Leadership News

Captaincy and Prefect Teams 2019

This year's senior leadership team consisting of the Year 12 Captaincy Team and the Year 11 Prefects, have spent the year developing exciting and worthwhile initiatives to implement within the school to really make a difference. Before the Captaincy Team graduated and departed for their HSC examinations, they were instrumental in coordinating themselves and other members of the Year 11 Prefect Team and the school's Student Representative Council (SRC) to introduce a new waste management stream to the school. With the help of Jake Sidney (Year 12), they filmed a short video to introduce our new orange return and earn recycling bins. This short video was embedded in a PBL lesson that was delivered in roll call, to help educate their peers on making smarter waste decisions in the playground with their bottles and cans etc. With the coordination of all three leadership teams, they were able to implement positive change.

The last official Senior Leadership meeting was conducted in Week 8 of Term 3. I would like to take this opportunity to thank all members of the 2019 Captaincy Team and 2019 Prefect Body. They are all inspiring and determined individuals, who I am confident will make ongoing positive impacts in their future endeavours. They were an absolute pleasure to coordinate and work with.

Captaincy Team 2020

During Week 8 Term 3, the incoming Captaincy Team for 2020 was announced, prior to the outgoing Captaincy Team of 2019 graduating. We had a large proportion of our 2019 Prefect Body put their names forward for consideration and an electronic voting process occurred amongst staff and students. It was a tough choice, as they are all worthy candidates in different ways. It had to be narrowed down to one female and one male captain and three female and three male vice-captains (8 in total). After tallying of the votes, Cassandra McMurdo and Lachlan Taylor were the successful Captains, whilst Hannah Bachner, Breanna Craig, Taylor Sheridan, Trent Martin, Ryan Mills and David Truong were

elected as Vice-Captains. This was announced at assembly and the outgoing 2019 Captaincy Team ceremoniously handed over their badges. Congratulations to the incoming 2020 Captaincy Team and thank you to the outgoing 2019 Captaincy Team for their hard work, commitment and mentorship.

Ms Farrar

Senior Leadership Coordinator

Science Fair

Late in Term 3, Elderslie High School hosted their first Science Fair. Budding scientists from Elderslie Primary School and Elderslie High School showcased their projects, across the disciplines of science, technology, engineering, and mathematics.

Earlier in the year, students completed various research projects where they were tasked with carrying out a science investigation. This involved them developing a research question or hypothesis and following science method, which included completing background research, gathering and presenting data and discussing their findings. Students presented their research projects on poster boards. Projects of high achievement were selected and nominated as finalists in the Science Fair.

The Science Fair was the perfect opportunity for the students to present their curiosity and creativity. The themes of research were vast and included investigations into sporting aides, cosmetics and food products, external influences on reaction time, electric circuitry, animal behaviour and genomic changes in an invasive species.

Award recipients were presented with over \$1000 worth of prizes, including certificates, medallions, and gift bags, which consisted of science kits, gift certificates, books and many other goodies. We thank our generous sponsors, who contributed towards the gift bags, including Casey's Toys, United Cinemas Narellan, Kmart Narellan, Australian Geographic, MacDonald's Macarthur and STILE.

The Science Fair also included a liquid nitrogen demonstration by Mr Spencer, Mr Kairouz and Luke Amjah and Katherine Kenworthy, two of our HSC Chemistry students, which was complete with ice cream.

It was a fantastic evening filled with celebration of student achievement in science inquiry.

Catching Up With Our Alumni – Erin Middleton Class of 2014

Achievements at Elderslie High School

- Most Outstanding Student in Year Group, six years in a row (Year 7 to Year 12)
- Band 6 result for HSC Drama | ATAR of 93.2
- Vice-Captain for 2014
- Academic Awards:
 - Fraser Murray Memorial Award for Mathematics (2012)
 - Victor Chang Cardiac Research Institute School Science Award (2013)
 - Western Sydney University Scholarship (2013)
 - UNSW Academic Achievement Award (2014)

- Ministers Award for Excellence in Student Achievement (2014)
- Other awards:
 - State Semi-Finalist in the Plain English Speaking Award (2013)
 - Long Tan Youth Leadership & Teamwork Award (2014)
- Creative:
 - Member of the NSW State Drama Ensemble (2011)
 - YMCA NSW Youth Parliamentarian (2013)
 - Member of the Ballroom Dance Ensemble (2013/2014)
 - Lead role in School Musicals:
 - Singin' In The Rain (Lina Lamont)
 - Bye Bye Birdie (Rosie Alvarez)
 - Seven Brides for Seven Brothers (Milly)
- I was one of those 'over-achiever' kids at school – but the truth is there's no such thing as 'over-achieving'. You simply do as much as you can to get where you want to be, and that's a different journey for everyone. I certainly didn't end up where a lot of other people expected me to be when I was in high school.
- I was a very academic student, and that was where everyone thought I would go, studying Science or Law. Instead I followed my creative passions, and every day I'm glad that I did. Success doesn't have to be measured in exam results or what kind of degree you hold; it can be how you feel when you get up in the morning, the simple joy of being on a stage, the thrill of putting words on a page and creating a story.

Achievements since 2014

- Travelled to and volunteered in Cambodia for a 'gap month' after graduating, building fences and gardens in a rural village and teaching English at the local school; celebrated my 18th birthday at Angkor Wat, one of the Great Wonders of the World
- Started a Bachelor of Arts program at UNSW, achieving a place on the Dean's List for 2015, before transferring to an Acting course at Sydney Theatre School
- Mid-2015, had a major knee reconstruction – afterwards, learning how to walk again, regaining confidence in my body and finding my strength
- Wrote my first short play 'Beard', which premiered at Short + Sweet Sydney 2017 and was selected as a Festival Director's Choice Finalist
- Graduated from Sydney Theatre School with a Diploma of Arts: Acting (2017)
- Moved to England in mid-2017 for seven months; travelled extensively in Scotland and Europe (Barcelona, Rome, Athens, Budapest, Bruges, Prague, Vienna, Venice), worked in a British pub, reconnected with my family, lived independently

- 2018:
 - Assistant Directed the play 'Things Not To Do After A Breakup' by Wayne Tunks, at The Depot Theatre in Sydney
 - Played Robin Starveling / Moth in 'A Midsummer Night's Dream' with Holroyd Musical and Dramatic Society, dir. Laura May
 - Played Curley's Wife in 'Of Mice and Men' with Campbelltown Theatre Group
 - Worked as the Script Supervisor (a behind-the-camera production role in film) on award-winning short horror film 'Zebra', dir. Peter Spann
 - Worked as the Script Supervisor on the second season of award-winning web series 'Thirty', dir. Leah Pellinkhof
- 2019:
 - Scholarship recipient for Faber Writing Academy at Allen & Unwin
 - Member of PYT Fairfield's Ensemble program
 - Wrote and produced my first one-act play 'Kallistēi', which premiered at the Sydney Fringe Festival
 - Played the role of Phoebe in 'As You Like It' with Wollongong-based emerging theatre company SHEakespeare, which produces all-female casts of Shakespeare plays
