- **Assist** quality students who need financial support.

DETAILS:

Each year, up to four Stage 6 (Year 11) Scholarships will be offered in areas for which the school has an established reputation. The scholarship is for a two-year period and the areas of expertise for the scholarships may change. For 2022 the areas are Performing Arts, Sport and Curriculum/Academic.

The scholarship exempts students from:

1. School general contribution, student diaries and course charges only.
2. Day excursion costs related only to the scholarship area of expertise for Years 11-12.

The value of each scholarship is to a maximum of \$500 (over the two year period of the scholarship). The scholarship will not cover calculators; weekly (school or grade) sport costs; camps; enrichment programs; Year 12 jerseys or extra-curricular activities that are not associated with the particular area of expertise. It may however cover some of the costs associated with Regional or State representation (in area of expertise) should the student be selected.

EXPECTATION: In return, the school expects the scholarship holder to:

- **participate** in school activities that align to their area of expertise eg carnivals, musicals, SRC, subject competitions, ensemble groups, choir, public speaking;
- **comply** with school **rules** and uniform code at all times;
- **continue to perform** to their personal best;
- **select** the **Year 11/12 course** in the area of the scholarship, where appropriate; and
- **maintain** outstanding grades and marks if awarded an academic scholarship.

SELECTION PROCESS:

1. Applications are submitted on the appropriate form (attached) with a copy of your last school report by the due date and a panel will convene to short list the candidates.
2. The **faculty** for which the scholarship applies then selects (this may be by audition, writing task, review of achievements, etc.) the successful applicant. Where financial assistance is declared and verified this would be a factor in the final decision.
3. The successful candidates are invited to attend our Presentation Night on 14th December 2021 which the Principal, will present the scholarship award to the student.
4. The scholarship is reviewed annually to ensure expectations are being met.
